There is currently a PRIA due date of 12/14/20. However, we will not be meeting that date. We don't know, yet, what we will be renegotiating it for, but likely somewhere around 1/12/21?

Go ahead and set up a meeting based on your needs.

Thanks, Debra.

Next week will be fine – unless the aldicarb actions will happen in mid-December. If that's the case, we probably need to talk this week.

Hi Dian,

It might be easier to talk about this action. Do you want to set up a quick meeting to talk about this? If it is this week, it will likely be just me. If you want it for next week it could be myself, Shanta and Marion (if available).

Thanks.

Hi Debra.

Would you be able to respond to Dian Overbey/FEAD?

Thank you.

Hi Mike.

Both Marion and Shanta are out, and you're listed as covering for Marion today.

Do you know what's happening with aldicarb and when whatever it is that's happening might happen? Please let me know, as the OCSPP IO is asking.

Thanks! Hope you and Julie had a great Thanksgiving.

Hi Marion and Shanta,

Today in our Comms meeting aldicarb came up. Are there new uses that will be registered? If so, what is the approximate time line for announcing the proposed new uses? It's on our tracker for mid-December. How likely is that?
